WonderBoy: Are you real?

Panel two: WonderBoy reaches out to touch EeensyPlex's face.

WonderBoy: WOW... You are real!

Panel three: WonderBoy slaps his face.

WonderBoy: Wow! I'm not dreaming!

Panel four: EeensyPlex big yellow eye glows as he smiles at WonderBoy.

WonderBoy: Come and sit with me in my castle.

Panel five: WonderBoy and EeensyPlex sits Indian style inside the makeshift castle, staring at each other.

WonderBoy: Can you talk; my name is WonderBoy, and this is my dog Spotty, what is your name?

**PAGE FOUR:**

Panel one: WonderBoy and EeensyPlex sitting face to face.

EeensyPlex! You're, my Friend?

WonderBoy: Yes, I'm your friend. Are you lost? Where is your home?

Panel two: EeensyPlex points his finger up to the ceiling.

EeensyPlex: Planet Zur, billions of light years away from planet Earth.

Panel three: Spotty licks EeensyPlex knocking him over.

WonderBoy: HAHA.....Spotty likes you!

Narrator: EeensyPlex laughs, talks, and plays with WonderBoy and Spotty in his closet, he now considered them friends. WonderBoy mother Betty wakes up from all the commotion coming from her son's bedroom.

**PAGE FIVE**

Panel one: BETTY, 45, stout, stay at home mom; dress in an ugly old white robe with hair roller in her head knocking at WonderBoy's Bedroom door.

Betty: Wonder! Wonder! Are you ok?

WonderBoy: Yes mom! I'm fine just playing and talking to Spotty.

Panel two: WonderBoy right hand over EeensyPlex mouth keeping him quit.

BETTY: Well it's past your bedtime; go to bed son, goodnight!

WonderBoy: Ok mom! Goodnight!

Panel three: WonderBoy lures EeensyPlex out of his closet and back to his bedroom.

Panel four: Out of the bedroom window the spaceplex sits in the field as EeensyPlex waves for him to come.

WonderBoy: I don't know if I should go.

**PAGE SIX:**

Narrator: WonderBoy is obsessed with UFO'S and aliens, to finally befriend one and to visit a real spaceship he didn't want to pass up such a great opportunity.

Panel one: WonderBoy is putting on his slippers and coat and then it shows him lifting the window up and crawling out of his bedroom window.

Narrator: EeensyPlex has skipped halfway across the field.

Panel two: A long distance view of the field where the spaceplex is sitting. Then it shows EeensyPlex skipping towards the open door of the spaceplex, and WonderBoy running to catch up.

WonderBoy: Wait for me!

Panel three: Spotty looks through the bedroom window at EeensyPlex and WonderBoy entering the spaceplex.

Panel four: Then show a view from inside the spaceplex.

EeensyPlex: Welcome aboard spaceplex this here is FlexPlex the navigator, and this is PennyPlex who is my assistant and she will show you around the spaceplex.

WonderBoy: Hi!

PennyPlex: Follow me.

Panel four: Shows all the lights, gadgets, buttons, and fancy devices that makes spaceplex something from out of this world.

WonderBoy: Wow! I never seen nothing like this before.

EeensyPlex: And you never will. Come let me show you my special room.

WonderBoy: OK!

**PAGE SEVEN**

Narrator: Excited, WonderBoy followed EeensyPlex to his special room. Once in the room he ask WonderBoy to lie down on the table and relax for a minute, and so he did.

Panel one: WonderBoy lying on a long examination table with his eye close stretch-out while EeensyPlex is standing over him with an evil look in his big yellow eyes.

EeensyPlex: Relax WonderBoy; this will not hurt at all.

Panel two: EeensyPlex reaching under the examine table to grab a long syringe.

Panel three: EeensyPlex sticks WonderBoy with the syringe.

EeensyPlex: There! There! WonderBoy, you humans are so gullible, this was easier then I thought.

Narrator: WonderBoy is now in a deep coma, with the help of EeensyPlex. PennyPlex pushes WonderBoy entire body through an ultra magnetic 3D cloning machine. This machine will clone the exact DNA of any human or alien turning them into the ultimate humanoid with supernatural powers.

PennyPlex: Ten years from now this earth will be ours. WonderBoy is the first human that we've cloned.

**PAGE EIGHT**

Panel one: PennyPlex inserts tracking device into WonderBoy's brain.

Panel two: PennyPlex pushes WonderBoy back into the magnetic 3D cloning machine.

EeensyPlex: Make sure you insert the tracking device and the program device near the front lob of the brain.

PennyPlex: Ready when you are?

Panel three: A close up shot of PennyPlex pushing a huge red button.

Panel four: There stands two identical WonderBoys.

EeensyPlex: READY!

Narrator: The 3D cloning machine spits out a second WonderBoy that is the exact imitation of the first.

Panel five: The two WonderBoys lying side by side.

Panel six: Then it shows the wicked EeensyPlex and PennyPlex mouth open, laughing.

**PAGE NINE:**

Narrator: EeensyPlex and Pennyplex quickly hide the clone WonderBoy so the original WonderBoy would not be freaked out. As far as he knows, he fell into a deep sleep while lying on the table.

Panel one: The original Wonderboy awakening from his deep sleep.

WonderBoy: What time is it? I must have doze off, I have to go home now. I don't want my mom to worry.

Panel two: PeenyPlex escorting WonderBoy to the front entrance of the spaceplex. EeensyPlex is standing at his side talking.

EeensyPlex: Did you enjoy your tour of the spaceplex?

WonderBoy: I guess, I don't remember much.

EeensyPlex: Maybe one day we will meet again here at the same place and at the same time.

Wonderboy: OK! You talk clearer now then you did before.

EeensyPlex: I have you to thank because you have taught me everything I could ever know about humans.

WonderBoy: I did?

EeensyPlex: Yes, you did!

WonderBoy: WOW!

Panel three WonderBoy walking out of the spaceplex and EeensyPlex and PennyPlex are waving goodbye.

**PAGE TEN**

Narrator: WonderBoy runs home, climbs back through his window, and jumps back into bed. After all the excitement he could not sleep a wink that night, thinking about his newfound friends.

Panel one: WonderBoy at the kitchen table eating breakfast with his mom.

Betty: You look a little different this morning, did you do something to your hair.

WonderBoy: No!

Betty: Slow down will you, before you get choke. Your eating like you have not eaten in days.

WonderBoy: I feel like I haven't.

Betty: Maybe it's a growth spur. You look like you've grown some inches since the last time I saw you.

Wonderboy: when was that?

Betty: Last night silly!

WonderBoy I guess.

Betty: I heard voices coming from your room last night whom were you talking too?

Panel two: A close up shot at WonderBoy shrouding his shoulders.

Wonderboy: I don't know.

Panel three: A close up on Betty looking confused as she observes her son.

**PAGE ELEVEN:**

Panel one: An outer space picture with SpacePlex orbiting through the galaxies.

Narrator: SpacePlex is now orbiting in outer space heading back to the planet Zur. EeensyPlex is now ready to test out the Clone in which now is named CloneWonder, given to him by PeenyPlex.

Panel two: CloneWonder lying down on the table in sleep mode.

Panel three: CloneWonder rising up off of the examining table walking towards EeesnyPlex and PennyPlex.

EeensyPlex: Testing! Testing 123! Come to life CloneWonder.

Panel four: CloneWonder speaks.

CloneWonder: Hi Dad! Hi Mom!

**PAGE TWELVE**

Panel one: Shows CloneWonder giving his new parents a big hug.

Panel two: Close up shot of PennyPlex sobbing.

PennyPlex: Oh EeensyPlex! We finally have a son of our own. Oh dear, he called me mom!

Panel three: Showing EeensyPlex hugging PennyPlex.

EeensyPlex: He even called me dad.

PennyPlex: Dear, you know what this means. Our life will never be the same again.

EeensyPlex: I'm sure it won't.

Narrator: The Plexis will breed and clone as many humanoids as they can, so when they return back to planet earth they will be able to fit in as humans on earth without getting hurt by real humans.
